*Milan, November 14th 2022*

It will be released **in theaters, exclusively from December 1st to December 7th, "Aiuto! È Natale!"** a Christmas family movie written and directed by **Khristoph Tassin**, produced by **RS Productions** and **Paradox Studios Italia** and distributed by **RS Productions**. Shot in English, the film features among the cast Richard Dreyfuss (Oscar for Best Actor for "Goodbye Amore Mio!"), Judd Nelson (the rebel John Bender in the iconic "Breakfast Club"), Valeria Bilello ("Made in Italy", "Security", "Curon"), Nathan Cooper and the two very young talents Lorenzo McGovern Zaini and Charlotte Gentile. "Aiuto! È Natale!" is designed to make young and adults laugh but it aims above all at children; in fact, children are the ones who help save Christmas.

*"The movie addresses issues not only related to Christmas, but also to the family and to today's society: addiction to electronic games, family relationships, traumas of abandonment in childhood and the relationship to the traditions of the past in an increasingly digitalized and contemporary world."* – said director Khristoph Tassin.

## Synopsis

The Christmas movie stars a family: father, mother, two children, grandfather and...Santa Claus. The grumpy father hates Christmas, because he remembers the past with his absent father, and finds himself managing two children who, with the help of their grandfather, try to free Santa Claus, trapped by a "monster", through the solution of eight digital riddles.
